Methodist Episcopal Church Notes.

Sunday morning the pastor preached an excellent sermon on the subject, "Getting on with Folks." Text, Rom. 12, 18, "If it be possible, as much as lieth in you, live peaceably with all men." Living as we do among people with different temperaments, it takes Christian grace to live peaceably. We have no right to expect more of other people than we demand of ourselves. We must first learn how to get along with ourselves.

"Let us give people praise instead of blame, compliments instead of criticism. If we have love in our hearts, we will have no trouble getting along with folks."

There was a union service Sunday evening. Rev. W. A. Warner preached an excellent sermon.

The Woman's Alliance will hold their annual sale of aprons, fancy articles, food, candy, etc., on Friday afternoon and evening. It is hoped many will patronize this sale.

The rehearsals for children's day will be Thursday afternoon at 4 o'clock and Saturday afternoon at 2 o'clock. It is important that all the children attend.

Next Sunday, will be observed as Children's day. The children have exercises. There will be a special collection taken for "The Board of Education."

From North Carolina to Orleans by Automobile.

Dear Monitor:

Perhaps some of the readers of the Monitor would be interested in some of the details of our trip across country from Southern Pines, N. C., to Orleans. We left Southern Pines about 11 a. m., Tuesday, May 18, going by the way of Sanford to Raleigh, finding good roads, except about 12 miles between Sanford and Apex. We took this short cut from the regular Capital highway route and thereby saved fifty miles in distance. The capital highway from Washington to Atlanta is mostly improved roads and marked on every telephone pole and concrete culvert with the red, white and blue stripes, making the route easy to follow. We camped out in a pine grove near Henderson, making 125 miles the first day. Wednesday morning was cool and cloudy. We started early and after crossing the Roanoke on a scow, poled by two men in primitive fashion, a distance of 600 yards for which we paid a dollar, we found the best of roads, our route taking us through the beautiful Shenandoah valley, then over that hard-fought battle ground by the monument where the Confederate cavalry leader, J. E. B. Stewart, was killed, to Spottsylvania, where we found a good hotel, making 180 miles the second day. Thursday we found good roads to Freeburg, but from there to Washington the roads were rough and in wet weather would be very bad. After an hour or more of driving around Washington, we left for Baltimore on the Bladensburg road, forty miles of new concrete road—the best I ever saw. We put up at Hotel Lexington after riding 127 miles and over all the unimproved road that we were to have on the trip. Leaving Baltimore about 8.30 Friday morning on the new Belair road, one of the best, we crossed the Susquehanna at Havre de Grace, one dollar toll. Here we found a good hotel, making 144 miles. Had our first tire trouble, one blowout and put up for the night at Chester, Pa. They had just put on a Jitney line, and some people were showing their displeasure by scattering tacks in the streets. Saturday morning we started for New York through Trenton and New Brunswick, good roads all the way, crossed 42nd street, ferry and put up for the night at Park Hotel, Larchmont, 18 miles this side of New York City. Short mileage owing to so much travel through city streets. Sunday morning we found the Boston Post road one of the best, following it to New Haven, Conn. Here we struck out for Hartford to Springfield, Mass., where we stopped with our old friends, Mr. and Mrs. Marshall Clement, over night. His friends in this section will be surprised to know that he works every day and even makes some overtime in the Indian Motorcycle Works. Monday we struck out for home but near Brattleboro had tire trouble which detained us about two hours. Then at Barre we put up for the night, having a broken washer to replace, the first thing to go wrong about the car. Tuesday we reached home all safe and sound, speedometer showing 1104 miles. Used 45 gallons of gasoline and about five gallons of oil. We were on the road seven days. Repairs to car besides tires, 50 cents. Yours very truly, E. W. Merrill.

The Barton Missionary Institute.

The missionary institute held here Friday was a success, though not up to our expectations in regard to numbers. As the weather was favorable we hoped for a delegation from every church in the county. A devotional service was followed by a talk on our study books and "How to Use" by Miss Alice M. Kyle, editor of "Life and Light." Miss Mary L. Wheeler, Orleans county president for home missions, spoke in regard to the amount of money pledged to the Vermont mission and where it was to be used, using different colored flags on a large map to designate the location of schools. Miss Osbourne gave a demonstration of the care and dressing of foreign babies, using a doll. The mothers in China have an idea that American babies must be filthy, as they have to be washed six times. "Their babies need a bath only once a year." A fine luncheon was served at noon by the Ladies' society of the church. The afternoon session was opened by a devotional service led by Mrs. M. L. Pearson of Orleans followed by a prayer by Rev. Wm. Miller of North Troy, Craftsbury, Coventry Derby Center, West Glover, Greensboro, Holland, Irasburg, Lowell, Westfield and Westmore sent no delegates. Orleans, West Charleston and North Troy sent large delegations. Newport two and Derby one. A discussion was opened by Rev. E. W. Eldridge of Orleans on the question, "Do the Churches Need the Missionary Auxiliaries?" followed by Rev. Wm. Miller of North Troy, Revs. I. A. Ranney and W. A. Warner, pastor of the Barton churches. Miss Kyle gathered up the different thoughts of approval into an eloquent appeal for more faithfulness in this work for the Master. A beautiful solo was given by Miss Marion Redfield, which was appreciated by the audience. Miss Harriet L. Osbourne, for seven years teacher and missionary at Foochow, China, was the speaker of the afternoon, giving glimpses of "our" work there. She stated that people were about the same the world over, so the Chinese were lovable, teachable and ambitious for the same ideals that we have. C. B. Webster of the M. E. choir very kindly gave a fine solo, which was enjoyed as always. The institute was closed by singing and benediction by Rev. Wm. Miller. We are sorry that so many churches in the county failed to gain inspiration by hearing Miss Kyle and Miss Osbourne, as they are surely going about, doing good, in this name. The county president of the Vermont Branch wishes to thank all those who helped make the meeting a success.

Afternoon and evening. In the evening there will be a hat-trimming contest for gentlemen which promises to be of interest to all. Everybody come.

Among those who attended the state meeting of the Grand Chapter of the O. E. S., at St. Johnsbury the past week, were Mr. and Mrs. F. W. Baldwin and Mr. and Mrs. F. W. Cutting, Mr. and Mrs. John McEllan, Mrs. F. D. Pierce, Mrs. J. F. Batchelder, Mrs. W. W. Reiden, Mrs. C. A. Barrows and Mrs. Altha Pierce. Mrs. F. D. Pierce was elected associate matron of the Grand Chapter of Vermont.

From burning stumps, and brush piles close to the south end of Elliott Brothers' woodlot Sunday about 11 o'clock, fire got beyond control and burned over 15 or 20 acres of second growth, including 45 cords of four-foot wood. The fire traveled fast, helped along with the south breeze and except for the crowd of help that was willing to fight the fire, would have done more damage. The Elliott Bros. wish to thank those who assisted at this time.
